## HILO MAN TO CONFER WITH PROMOTERS

That the Hilo Board of Trade will have, what might be termed an ex-officio representation on the Promotion Committee, is the information contained in a letter received by John M. Giles, who is handling the campaign of "See Hawaii First" inaugurated by the Hilo body, inviting him to attend the weekly meetings.

This is the first time that Hilo has been brought into direct touch with Honolulu in connection with promotion work and it should be productive of good results.

Speaking of the new order of things, Giles expressed his appreciation of the committee's action. "To a great many people," he said, "the matter of my being present at the meetings of the Promotion committee may not have any significance. I, however, am more than pleased, for I look on it as one of the most important steps that has yet been taken towards bringing the islands closer together and doing away with the misunderstanding that has so long existed.

"The fact of my being sent to Honolulu to represent the Big Island means more than simply something to benefit the people down there. It means that the spirit of co-operation is coming into its own and this action of the committee is the first logical step towards the final goal and the time when all the islands will stand shoulder to shoulder and pull together for the benefit of the territory instead of each pulling for its own particular interests at the present time.

"The letter from the promotion committee came as a complete surprise to me but a very pleasant one."

## TO DISCUSS NEW IMPROVEMENT ACTS

A public hearing on the two new acts providing for street-improvements will be held in the chamber of the supervisors Monday evening. Supervisor Petrie, chairman of the meeting, has sent invitations to Senator Albert Judd and Attorney Charles B. Hemenway to be present at the meeting. Senator Judd introduced the measures in the senate during the last session of the legislature and fought for their passage; Attorney Hemenway wrote the acts. Considerable interest is shown in the meeting. A large number of persons will probably be present. Supervisor Petrie has obtained from F. L. Weaver, first deputy city and county attorney, opinions on the two laws, in the form of an analysis, which he will use at the meeting.

With the new statutes on the books he plans to have much street improvement work done under them.

## FOUR INDICTED BY GRAND JURY

Four indictments were returned by the territorial grand jury late yesterday afternoon and the four accused men were arraigned before Circuit Judge Robinson this morning, all entering pleas of not guilty. One is accused of murder in the first degree, two are held for burglary and the fourth for assault and battery with a deadly weapon.

On the evening of June 17, Serapio Adaban, a Filipino workman at the Ewa plantation, returned home to find a countryman, Victor Cerbantez, with his wife. Picking up a cane knife, the husband promptly slew Cerbantez, then calmly waited until the wife had gone out and notified the authorities and the latter had appeared on the scene, when he surrendered peacefully.

After entering his plea of not guilty to the charge of murder this morning, Adaban informed the court, through an interpreter, that he had no funds to obtain an attorney, and Leon M. Straus was appointed to prepare his defense. This, as well as the other cases, will not be set for trial until the September term of court is called.

Pedro Orado, accused of burglary in the first degree, in breaking into the room of Leong Nabong and taking a quantity of valuables on the night of July 11, also pleaded lack of funds and George A. Davis was appointed his counsel. Kim Hawk So, held on a charge of breaking into the home of Hagiwara on July 9 and carrying away a number of articles, explained that his wife has \$45 in cash and that he may be able to induce her to employ counsel for him, hence the court did not attempt to select his attorney.

Noa W. Aluli was appointed to defend Dionisio Mutuk, indicted for assaulting Lum Tuck with a knife on July 7.

## GROUND RENT INCLUDED IN BANANA CLAIM

The banana claims court was apprised last night of the facts in connection with that claim asking damages for the destruction of a "cork-screw". Kaalipua, the claimant in this case, informed Chairman Rawlins and his conferees that it was not a cork-screw, but an auger, stating the expressive Hawaiian word had been misinterpreted.

Kaalipua's workshop was destroyed during the mosquito campaign, and he filed a list of items for carpenter's tools that he said had been used by his grandfather and had been stored in the little shop. His entire claim totaled about \$1100.

It also developed that Kaalipua was inclined to blame the health authorities for the sudden raise in his rent. Up to the time of the banana campaign he had been using a lot of the Bishop estate as tenant-at-will, paying \$11 a year, but from the time the Kaalipua camp was destroyed the rent has been established at \$120 a year. He was inclined to think the campaign was responsible for the increased cost of existence and should pay the difference in rentals.

## A SOUR, GASSY, UPSET STOMACH

"Pape's Diapepsin" Overcomes Your Indigestion in Five Minutes

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty-centa for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak disordered stomach; it's so unnecessary—advertisement.
